ABOUT OUR CHARITY WORK

The Rotary Club of Marietta is excited to announce we are once again partnering with LifeSafe Resources to help them fund a playground for the children of the families they help. LifeSafe Resources was originally established in 1917 as the YMCA of North Georgia and in 2017 was rebranded to its current name. Their focus is helping women impacted by domestic violence and sexual assault. Your sponsorship and participation is greatly appreciated by LifeSafe and the families they impact.
